SMART MEDICURE

Specification sheet
Issued 24 Nov 2026

What it does

Effortless Tensioning & Locking
Set and lock drop force from the right side with confidence.

Peripheral Joint Precision
8 mm drop calibrated for knee, ankle, shoulder and elbow adjustments.

Truly Portable
Lightweight and compact for clinic, hospital or mobile practice.

Ball-Bearing Drops
Smooth, consistent, virtually maintenance-free operation.

Double-Layer Foam Cushion
Firm high-density base with a soft top layer; Rexine colour of your choice.

Buying it

Delivery
about 10 days from order confirmation. Prices are ex-works from our factory in Surat; freight, insurance, customs duty and all other shipping costs are paid by the buyer.

Warranty and support
One-year warranty on manufacturing defects, free phone support for the life of the table, and spare parts stocked in Surat.

Export
Shipped worldwide with the commercial invoice, packing list and user manual. The voltage for powered tables is confirmed with each quotation.

Installation and training
Shipped fully packed; our team guides assembly and set-up by video call at no charge, and operator training by video is included with the robotic systems. On-site installation or training on request, charged at the technician's daily rate plus travel allowance.

Payment
Quoted per configuration. A 50% advance against the proforma invoice confirms the order; the balance is paid before dispatch, by bank transfer or secure payment link. GST invoice supplied.
