What it does

Comprehensive 4-Drop Air System

Cervical double, thoracic, lumbar and pelvic drops with tensional knob adjustment, powered by an included high-performance air compressor for smooth, consistent, controlled force.

Foot-Pedal Height Adjustment

Adjust the table from 12 to 32 inches by foot pedal, keeping your hands free and reducing practitioner strain.

Double-Layer Foam Cushioning

A firm high-density base for effective drop technique with a soft top layer for comfort; Rexine colour of your choice.

Movable Wheels with Brakes

Reposition easily and lock firmly during treatment.

Intuitive Drop Loading

Load a single drop by pressing its switch, multiple drops at once, or use the foot pedal to auto-load the last selected drops — streamlining your workflow.

Fully Adjustable Components

Height, hand rest and ankle support all adjust for optimal patient positioning and ergonomic efficiency.

Robust Steel Construction

Powder-coated mild-steel frame rated to 200 kg.

Buying it

Delivery

15–30 days from order confirmation. Prices are ex-works from our factory in Surat; freight, insurance, customs duty and all other shipping costs are paid by the buyer.

Warranty and support

One-year warranty on manufacturing defects, free phone support for the life of the table, and spare parts stocked in Surat.

Export

Shipped worldwide with the commercial invoice, packing list and user manual. The voltage for powered tables is confirmed with each quotation.

Installation and training

Shipped fully packed; our team guides assembly and set-up by video call at no charge, and operator training by video is included with the robotic systems. On-site installation or training on request, charged at the technician's daily rate plus travel allowance.

Payment

Quoted per configuration. A 50% advance against the proforma invoice confirms the order; the balance is paid before dispatch, by bank transfer or secure payment link. GST invoice supplied.
