SMART MEDICURE

Specification sheet
Issued 24 Nov 2026

What it does

Electric Height Adjustment
Quiet, smooth foot-pedal control from 22 to 43 inches for patient access and practitioner ergonomics.

Heavy-Duty Construction
Powder-coated mild-steel frame built for constant clinical use.

Easy-to-Clean Surfaces
Rexine upholstery and powder-coated steel that wipe clean between patients.

200 kg Capacity
Stable, safe support for a wide range of patients.

Customisable Colours
Rexine and body colours as per your clinic's aesthetic.

4 Movable Wheels
Easy repositioning and room-setup changes.

1-Year Warranty
Plus lifetime free telephonic technical assistance.

Buying it

Delivery
15–30 days from order confirmation. Prices are ex-works from our factory in Surat; freight, insurance, customs duty and all other shipping costs are paid by the buyer.

Installation and training
Shipped fully packed; our team guides assembly and set-up by video call at no charge, and operator training by video is included with the robotic systems. On-site installation or training on request, charged at the technician's daily rate plus travel allowance.

Warranty and support
One-year warranty on manufacturing defects, free phone support for the life of the table, and spare parts stocked in Surat.

Payment
Quoted per configuration. A 50% advance against the proforma invoice confirms the order; the balance is paid before dispatch, by bank transfer or secure payment link. GST invoice supplied.

Export
Shipped worldwide with the commercial invoice, packing list and user manual. The voltage for powered tables is confirmed with each quotation.
