SMART MEDICURE

Specification sheet
Issued 24 Nov 2026

## What it does

### Foot-Pedal Height Adjustment
Smoothly set the table from 12 to 32 inches for optimal ergonomics without interrupting treatment.

### Effortless Tensioning
All drops tension from the right side for accurate force application.

### Double-Layer Foam Cushioning
Firm high-density base plus soft top layer; Rexine colour of your choice.

### Movable Wheels with Brakes
Easy repositioning with secure locking.

### Manual 4-Drop System
Cervical double, thoracic, lumbar and pelvic drops, handle-reset for precise tactile control.

### Ball-Bearing Drops
Smooth, consistent, virtually maintenance-free performance.

### Adjustable Supports
Adjustable headpiece, handrest and ankle support for every patient.

## Buying it

### Delivery
15–30 days from order confirmation. Prices are ex-works from our factory in Surat; freight, insurance, customs duty and all other shipping costs are paid by the buyer.

### Installation and training
Shipped fully packed; our team guides assembly and set-up by video call at no charge, and operator training by video is included with the robotic systems. On-site installation or training on request, charged at the technician's daily rate plus travel allowance.

### Warranty and support
One-year warranty on manufacturing defects, free phone support for the life of the table, and spare parts stocked in Surat.

### Payment
Quoted per configuration. A 50% advance against the proforma invoice confirms the order; the balance is paid before dispatch, by bank transfer or secure payment link. GST invoice supplied.

### Export
Shipped worldwide with the commercial invoice, packing list and user manual. The voltage for powered tables is confirmed with each quotation.
