What it does

Six Preset Programs
Six preset programs plus a direct decompression program with customisable hold/rest timing and cycles.

Auto Flexion-Extension & Valgus-Varus
Dynamic biomechanical setup tailored to each patient's alignment.

Patient Records
Treatment history stored for each patient.

Robust Construction
Heavy, stable steel structure with customisable cushion colours.

Auto Angle Calibration
Precise, personalised knee positioning for accurate targeting.

Real-Time Charts
Live feedback to monitor and adjust treatment on the fly.

Comfort & Safety
Double-layer foam cushioning, easy strapping and a patient emergency stop switch.

Buying it

Delivery
15–30 days from order confirmation. Prices are ex-works from our factory in Surat; freight, insurance, customs duty and all other shipping costs are paid by the buyer.

Warranty and support
One-year warranty on manufacturing defects, free phone support for the life of the table, and spare parts stocked in Surat.

Export
Shipped worldwide with the commercial invoice, packing list and user manual. The voltage for powered tables is confirmed with each quotation.

Installation and training
Shipped fully packed; our team guides assembly and set-up by video call at no charge, and operator training by video is included with the robotic systems. On-site installation or training on request, charged at the technician's daily rate plus travel allowance.

Payment
Quoted per configuration. A 50% advance against the proforma invoice confirms the order; the balance is paid before dispatch, by bank transfer or secure payment link. GST invoice supplied.
